Fund category (ASISA classification)	South African - Equity - General	South African - Equity - General	South African - Multi-asset - Flexible	South African - Multi-asset - High Equity	South African - Multi-asset - Low Equity	South African - Multi-asset - Income	South African - Interest-bearing - Short-term	South African - Interest-bearing - Money Market	Global - Equity - General	Global - Multi-asset - Flexible
Investment objective	Aims to offer investors long-term capital growth without assuming a greater risk, and earn a higher rate of return than that of the South African equity market as presented by the composite of 80% FTSE/JSE Capped SWIX All Share Net Total Return Index and 20% MSCI Daily Total Return Net World USD Index (including income).	Aims to provide long-term capital growth (highest returns above inflation) and outperform the FTSE/JSE Capped SWIX All Share Net Total Return Index by investing mainly in South African shares. The investment policy provides for investment in domestic listed securities and assets in liquid form, including shares, participatory interests in listed property shares, loan stock and derivative instruments.	Aims to achieve superior medium- to long-term capital growth by investing in selected sectors of the equity, gilt and money markets, both locally and abroad. The fund has a flexible asset allocation mandate and equity exposure will vary based on opportunity.	Aims to achieve long-term capital growth and a reasonable level of income for investors. The investment policy provides for the active management of the portfolio assets that include equities, bonds, property and cash, both domestically and in foreign markets.	Aims to achieve capital appreciation and to generate a return of CPI + 3% over a rolling three-year period, with low volatility and low correlation to equity markets through all market cycles.	Aims to preserve capital while maximising income returns for investors. The portfolio comprises a mix of high-yielding securities, property, bonds, preference shares and assets in liquid form (both local and foreign).	Aims to maximise income while achieving as much long-term capital appreciation as interest rate cycles allow.	Aims to provide capital security, a steady income and easy access to your money.	Aims to achieve capital growth over the long term, with the generation of income not being the main objective of the portfolio. It is a rand-denominated equity feeder fund with an investment policy providing for investment solely in the PSG Global Equity Sub-Fund.	Aims to achieve superior medium- to long-term capital growth through exposure to selected sectors of the global equity, bond and money markets. It is a rand-denominated feeder fund with an investment policy providing for investment solely in the PSG Global Flexible Sub-Fund.
