How do I request a transfer of funds from one PSG Securities account to another?

You need to send an email request to financesec@psg.co.za, clearly stating the BDA account numbers of both accounts; i.e. the BDA number of the account you wish to withdraw funds from and that of the account you wish to have the funds transferred into.

Note that transfers between accounts held in the names of different parties (third-party transfers) are only permitted in specific circumstances. If your request is for such a transfer, we will contact you to advise if your request is possible and, if so, confirm the additional supporting documents required to complete the transfer.

Do I earn interest on surplus funds in my trading account?

Yes, all client funds are held by the JSE Trustees and they negotiate favourable interest rates on behalf of clients.

Please note that interest rates change on a monthly basis, and are only available at the end of the relevant month.
