# **Corporate Governance Report**

Corporate governance disclosures in accordance with the JSE Debt Listings Requirements:

- The company is a wholly owned subsidiary of PSG Konsult Limited (PSG Konsult) and is supported by the
  committees established by PSG Konsult. A brief mandate of the various committees, their composition and meeting
  attendance are disclosed on pages 75 76 and pages 84 91 of the PSG Konsult Integrated Report which can be
  accessed at https://www.psg.co.za/investor-relations/overview.
- A brief CV of each of the company's directors and committee members are disclosed on pages 75 76 of the PSG Konsult Integrated Report which can be accessed at https://www.psg.co.za/investor-relations/overview.
- The independence of directors are determined holistically, and on a substance over form basis in accordance with the indicators provided in Section 94(4)(a) and (b) of the Companies Act and the King Code.
- The company confirms that the audit committee has executed their responsibilities as set out in paragraph 7.3(e) of the JSE Debt Listings Requirements.
- The company follows an existing policy on the evaluation of the performance of the board of directors and that of its committees, its chair and its individual directors pursuant to the provisions of the King Code.
- MIF Smith, the chief financial officer of the PSG Konsult group and the company, serves as the company's debt
  officer. The board of the company has duly considered and satisfied itself with the competence, qualifications and
  experience of Mr Smith in relation to his appointment as debt officer.
- The company's board appointment and conflict of interest policies are accessible at https://download.psg.co.za/files/investor-relations/financial-information/PSG%20Konsult%20Treasury%20Limited%20-%202020%20board%20 charter.pdf. These policies have remained unchanged since the publication thereof.
- As at 20 May 2022 there are no recorded conflicts of interest or personal financial interest of the directors and/or
  executive management of the company, therefore no conflicts of interest register is published.

(Registration number 2014/196582/06) Annual Financial Statements for the year ended 28 February 2022

# **Audit Committee Report**

The committee is pleased to present its report for the financial year ended 28 February 2022.

The audit committee of PSG Konsult Limited (PSG Konsult), the company's holding company, acts as the audit committee for the company. The PSG Konsult audit committee is an independent statutory committee appointed by the shareholders.

The committee is responsible for ensuring the integrity of integrated reporting and reviewing the effectiveness of the financial reporting process, the system of internal control and management of financial risks, the assurance process, and the company's process for monitoring compliance with laws and regulations and its own code of business conduct. The committee recommends the annual financial statements for approval to the board and is responsible for monitoring, engaging with, and determining the remuneration of the external auditor.

### 1. Composition and meeting proceedings

At 28 February 2022, the PSG Konsult audit committee consisted of 5 non-executive directors who act independently as described in Section 94 of the Companies Act.

For the financial year ended 28 February 2022, the members of the PSG Konsult audit committee were:

| Membership and attendance | 14 April 2021 | 6 October 2021 |
|---------------------------|---------------|----------------|
| PE Burton - chairman      | · 🗸           | $\checkmark$   |
| AH Sanqgu                 | ✓             | $\checkmark$   |
| TC Esau-Isaacs            | ✓             | $\checkmark$   |
| ZL Combi                  | ×             | $\checkmark$   |
| ZRP Matsau                | ✓             | $\checkmark$   |
|                           |               |                |
| √ Present                 |               |                |

✓ Present× Apology

The committee met twice, formally, in the financial year under review. At the meetings, the members fulfilled all their functions as prescribed by the Companies Act, as well as those additional functions as determined by the board.

### 2. Duties

In execution of its statutory duties during the past financial year, the PSG Konsult audit committee has reviewed the annual financial statements, culminating in a recommendation to the board.

In the course of its review the committee

- takes appropriate steps to ensure that the financial statements are prepared in accordance with IFRS;
- considers and, when appropriate, makes recommendations on internal financial control;
- deals with concerns or complaints relating to:
  - accounting policies;
  - the auditing or content of annual financial statements, and
  - internal financial controls;
- reviews the external audit report on the annual financial statements;
- reviews the risk management reports and, where relevant, makes recommendations to the board;
- evaluates the effectiveness of risk management, controls and the governance processes;
- verifies the independence of the external auditor and of any nominee for appointment as the designated auditor;
- approves the audit fees and engagement terms of the external auditor; and
- determines the nature and extent of allowable non-audit services and approves the contract terms for the provision of non-audit services by the external auditor.

(Registration number 2014/196582/06) Annual Financial Statements for the year ended 28 February 2022

# **Audit Committee Report**

#### 3. Legal requirements

The PSG Konsult audit committee has complied with all applicable legal, regulatory and other responsibilities for the financial year.

#### 4. External auditor

As previously reported, following the conclusion of a tender process initiated by the early adoption of mandatory audit firm rotation, the company appointed Deloitte & Touche as the external auditor for the 2022 financial year.

The board sets a policy that governs the level and nature of non-audit services, which requires pre-approval by the audit committee for all non-audit services. In determining the independence of the external auditors, the committee considers the level and types of non-audit services provided as well as other enquiries and representations. As required by the Companies Act, the committee has satisfied itself that PSG Konsult Limited's external auditor, Deloitte & Touche, was independent of the company, as set out in sections 90(2)(c) and 94(8) of the Companies Act and is thereby able to conduct its audit functions without any undue influence from the company.

The committee has considered the relevant audit quality indicators, including the audit firm's system of quality control. The committee was satisfied with the quality of the audit concluded and has nominated, for re-appointment at the annual general meeting, Deloitte & Touche as the external auditor of PSG Konsult Limited for the financial year ending 28 February 2022. Mrs N le Riche, as the designated individual registered auditor, will undertake the audit of PSG Konsult on behalf of Deloitte & Touche for the 2022 financial year.

Deloitte & Touche, being the audit firm, as well as Mrs N le Riche, being PSG Konsult's individual auditor for the 2022 financial year, have been accredited on the JSE list of auditors in terms of the criteria in the JSE Listings Requirements. As required by paragraphs 3.84(g)(iii) of the JSE Listings Requirements and 7.3(e)(iii) of the JSE Debt Listings Requirements, the committee has satisfied itself that Deloitte & Touche and Mrs N le Riche are suitable for appointment as audit firm and individual auditor, respectively, by considering, inter alia, the information stated in paragraph 22.15(h) of the JSE Listings Requirements.

#### 5. Financial function

In terms of the JSE Listings Requirements, the audit committee performs an annual evaluation of the financial reporting function in the company. The PSG Konsult audit committee was satisfied that the financial reporting function had appropriate resources, skills, expertise and experience. The committee ensured that the appropriate financial reporting procedures exist and are operating as contemplated in paragraph 7.3(e)(ii) of the JSE Debt Listings Requirements. The committee also satisfied itself in terms of paragraph 7.3(e)(i) of the JSE Debt Listings Requirements that Mr MIF Smith, the CFO of the PSG Konsult group and the company, possess the appropriate skills, expertise and experience to meet the responsibilities required for that position during his service as such.

#### 6. Internal financial controls

The PSG Konsult audit committee evaluated the company's internal financial controls and based on the information and explanations given by management and the PSG Konsult group internal audit function, as well as discussions with the independent external auditor regarding the results of their audit, the committee is satisfied that there was no material breakdown in the internal financial controls during the financial year under review.

#### 7. Governance of risk

The board has assigned oversight of the company's risk management function to the PSG Konsult risk committee. The chairman of the PSG Konsult risk committee is also the chairman of the PSG Konsult audit committee to ensure that information relevant to these committees is transferred effectively. The PSG Konsult audit committee oversees financial reporting risks, internal financial controls, fraud and IT risks as these relate to financial reporting.

### 8. Going concern

The PSG Konsult audit committee reviewed a documented assessment prepared by management, including key assumptions, of the going concern status of the company and made a recommendation to the board in accordance with this assessment.

(Registration number 2014/196582/06) Annual Financial Statements for the year ended 28 February 2022

# **Audit Committee Report**

#### 9. Financial statements

The PSG Konsult audit committee has evaluated the financial statements of the company for the year ended 28 February 2022 and, based on the information provided to the committee, considers that the company complies, in all material respects, with the requirements of the Companies Act, as amended, and IFRS.

PE Burton
Chairman of the PSG Konsult audit committee

20 May 2022

(Registration number 2014/196582/06) Annual Financial Statements for the year ended 28 February 2022

# **Directors' Responsibilities and Approval**

The directors are required in terms of the Companies Act of South Africa to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements fairly present the state of affairs of the company as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with International Financial Reporting Standards. The external auditor is engaged to express an independent opinion on the annual financial statements.

The annual financial statements are prepared in accordance with International Financial Reporting Standards and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal financial control established by the company and place considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, the board of directors sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the company and all employees are required to maintain the highest ethical standards in ensuring the company's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the company. While operating risk cannot be fully eliminated, the company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The directors are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The directors have reviewed the company's cash flow forecast for the year to 28 February 2023 and, in light of this review and the current financial position, they are satisfied that the company has or had access to adequate resources to continue in operational existence for the foreseeable future.

The external auditor is responsible for independently auditing and reporting on the company's annual financial statements. The annual financial statements have been examined by the company's external auditor and their report is presented on pages 11 to 13

The annual financial statements set out on pages 14 to 30, which have been prepared on the going concern basis, were approved by the board of directors on 20 May 2022 and were signed on their behalf by:

#### INDEPENDENT AUDITOR'S REPORT

#### To the Shareholder of PSG Konsult Treasury Limited

#### Opinion

We have audited the financial statements of PSG Konsult Treasury Limited (the Company) set out on pages 14-30, which comprise the statement of financial position as at 28 February 2022, and the statement of profit and loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as at 28 February 2022, and its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards and the requirements of the Companies Act of South Africa.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the consolidated and financial statements section of our report. We are independent of the Company in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards).

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide an opinion on these matters.

There are no key audit matters pertaining to these financial statements.

#### Other Information

The directors are responsible for the other information. The other information comprises the information included in the document titled "PSG Konsult Treasury Limited Annual Financial Statements for the year ended 28 February 2022", which includes the Corporate Governance Report, Audit Committee Report, Directors' Responsibility Statement and Approval, Company Secretary's Certification and the Directors' Report as required by the Companies Act of South Africa, which we obtained prior to the date of this report. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of the Directors for the Financial Statements

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and the requirements of the Companies Act of South Africa, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the Directors we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other matters

The financial statements of the Company for the year ended 28 February 2021, was audited by another auditor who expressed an unmodified opinion on those statements on 17 May 2021.

#### Report on Other Legal and Regulatory Requirements

eloitte & Touche

In terms of the IRBA Rule published in Government Gazette Number 39475 dated 4 December 2015, we report that Deloitte & Touche has been the auditor of PSG Konsult Treasury Limited for 1 year.

# **Accounting Policies**

#### 1. Significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated.

#### 1.1 Basis of preparation

The annual financial statements of PSG Konsult Treasury Limited have been prepared in accordance with the JSE Listing Requirements and the requirements of the Companies Act. The JSE Listings Requirements require annual financial statements to be prepared in accordance with the framework concepts and the recognition and measurement requirements of IFRS, as defined by IAS 1; the IFRIC interpretations; the SAICA Financial Reporting Guides, as issued by the Accounting Practices Committee; the Financial Reporting Pronouncements, as issued by the Financial Reporting Standards Council, and the manner required by the Companies Act. The financial statements have been prepared under the historical cost convention.

The preparation of annual financial statements in conformity with IFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed further below.

#### 1.2 Financial instruments

Financial instruments held by the company are classified in accordance with the provisions of IFRS 9 Financial Instruments.

Financial instruments and risk management (note 18) presents the financial instruments held by the company based on their specific classifications.

The specific accounting policies for the classification, recognition and measurement of each type of financial instrument held by the company are presented below:

#### Loans to group companies

#### Classification

Loans to group companies (note 4), are classified as financial assets subsequently measured at amortised cost.

They have been classified in this manner because the contractual terms of these loans give rise, on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding, and the company's business model is to collect the contractual cash flows on these loans.

#### Recognition and measurement

Loans to group companies are recognised when the company becomes a party to the contractual provisions of the loan. The loans are measured, at initial recognition, at fair value plus transaction costs, if any.

They are subsequently measured at amortised cost less any expected credit loss allowance.

Interest income is calculated using the effective interest method, and is included in profit or loss and disclosed separately as Interest income on amortised cost financial instruments in the statement of profit and loss and other comprehensive income.

## **Expected credit losses**

Loss allowances for loans to group companies are measured under the general expected credit loss impairment model as prescribed by IFRS 9.

An expected credit gain or loss is recognised in profit or loss for the amount of expected credit losses (or reversals) required to adjust the loss allowance at the reporting date.

The gross carrying amount of the financial asset is written off and reduced when there is no reasonable expectation of recovering a financial asset in its entirety or a portion thereof.

(Registration number 2014/196582/06) Annual Financial Statements for the year ended 28 February 2022

# **Accounting Policies**

#### 1.2 Financial instruments (continued)

The period over which the expected credit loss is calculated is limited to the maximum contractual period of the loan. For loans that are repayable on demand, the contractual period is the period needed to transfer the cash once demanded. The expected credit losses are based on the assumption that the repayment of the loan is demanded at the reporting date. As such, the impact of incorporating forward-looking information is immaterial, due to the short period over which the expected credit loss assessment is performed.

The financial information of the borrower at the reporting date is inspected to determine if:

- the borrower has sufficient accessible highly liquid assets or facilities in order to repay the loan if demanded at the reporting date, and
- that there is no senior debt which the borrower would need to repay before the intergroup loan being assessed.

In such a scenario, assuming that the entity has no restrictions on its liquid assets and could meet a demand to repay the loan at the reporting date, no expected credit loss would be recognised unless the impact of discounting from when the repayment is demanded until it is paid is material.

#### Loans from group companies

#### Classification

Loans from group companies (note 8) are classified as financial liabilities subsequently measured at amortised cost.

#### Recognition and measurement

Loans from group companies are recognised when the company becomes a party to the contractual provisions of the loan. The loans are measured, at initial recognition, at fair value plus transaction costs, if any.

They are subsequently measured at amortised cost using the effective interest method.

Interest expense, calculated on the effective interest method, is included in profit or loss and disclosed as finance costs.

#### Trade and other payables

#### Classification

Trade and other payables (note 10) are classified as financial liabilities subsequently measured at amortised cost.

#### Recognition and measurement

They are recognised when the company becomes a party to the contractual provisions, and are measured, at initial recognition, at fair value plus transaction costs, if any.

They are subsequently measured at amortised cost using the effective interest method.

### Cash and cash equivalents

Cash and cash equivalents are classified as financial assets subsequently measured at amortised cost (note 5).

Cash and cash equivalents consist of cash held at call with banks and other short-term highly liquid investments with maturities of three months or less. Cash and cash equivalents are measured at amortised cost using the effective interest method.

(Registration number 2014/196582/06) Annual Financial Statements for the year ended 28 February 2022

# **Accounting Policies**

#### 1.2 Financial instruments (continued)

#### **Derecognition of financial instruments**

#### **Financial assets**

The company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the company retains substantially all the risks and rewards of ownership of a transferred financial asset, the company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

#### **Financial liabilities**

The company derecognises financial liabilities when, and only when, the company obligations are discharged, cancelled or they expire. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

#### 1.3 Tax

#### Tax expenses

The tax expense for the period comprises current and deferred tax and is recognised in profit or loss.

The current income tax charge is calculated on the basis as set out in the South African Income Tax Act, No. 58 of 1962 (Income Tax Act).

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using the tax rates (and laws) that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred tax asset is realised or the deferred income tax liability is settled.

Deferred income tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

#### 1.4 Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction from the proceeds, net of tax.

#### 1.5 Interest income on amortised cost financial instruments

Interest income comprises of interest earned on cash and cash equivalents and loans to group companies. Interest income is recognised using the effective interest rate method and disclosed separately as interest income on amortised cost financial instruments in the statement of profit and loss and other comprehensive income.

#### 1.6 Segment reporting

An operating segment is a component of the group engaged in business activities, whose operating results are reviewed regularly by management in order to make decisions about resources allocated to segments and assessing segment performance.

The chief operating decision maker, responsible for allocating resources and assessing performance of the operating segments, are the executive management committee that makes strategic decisions.

Decision making in relation to resource allocation or performance evaluation is performed at company level. PSG Konsult Treasury Limited operates its business within the Republic of South Africa and deems all revenue and expenses to be subject to the economic conditions.

The company has therefore assessed that is has only one reportable segment as reported on its annual financial statements.

(Registration number 2014/196582/06) Annual Financial Statements for the year ended 28 February 2022

# **Notes to the Annual Financial Statements**

| Figures in Rand | 2022 | 2021 |
|-----------------|------|------|

#### 2. New Standards and Interpretations

#### 2.1 Standards and interpretations not yet effective

The following new standards, interpretations and amendments have been published and are mandatory for the company's accounting periods beginning on or after 1 March 2022 or later periods and have not been early adopted by the company:

Amendment to IAS 1 – Presentation of Financial Statements – Classification of liabilities and Disclosure of accounting policies (effective 1 January 2023)
 Management has assessed the impact of this amendment on the reported results of the company and does not foresee any impact.

There have been no other new standards, amendments and interpretations effective and not yet effective that are relevant to the operations of PSG Konsult Treasury in 2022.

#### 3. Deferred tax

#### Deferred tax asset

| Audit fee accrual                                    | 12 655        | 12 170        |
|--|---------------|---------------|
| Reconciliation of deferred tax asset                 |               |               |
| At beginning of year Deductible temporary difference | 12 170<br>485 | 11 590<br>580 |
| At the end of the year                               | 12 655        | 12 170        |
| 4. Loans to group companies                          |               |               |
| Fellow subsidiaries                                  |               |               |
| PSG Scriptfin Proprietary Limited                    | 55 000 000    | 55 000 000    |

The loan is unsecured, bears variable interest at an effective interest rate range of between 6% and 6.5% (2021: 6% and 8.75%) and is repayable on demand.

#### Expected credit losses

The group company was assessed to have sufficient accessible liquid assets or facilities available to repay the loan in full, taking into consideration any senior debt which the borrower would need to repay first, should repayment be demanded on the reporting date. Management therefore determined that any expected credit losses as well as the impact of discounting would be immaterial. Due to the short period over which the expected credit loss assessment is performed, the impact of incorporating forward-looking information is immaterial.

#### 5. Cash and cash equivalents

Cash and cash equivalents consist of:

Bank balances 43 052 267 921

The effective interest rate on cash and cash equivalents was 2.53% (2021: 3.05%).

Expected credit losses on cash and cash equivalents are measured on 12-month expected credit loss basis and reflect the short-term maturities of the exposures. The company considers that its cash and cash equivalents have good credit quality based on the external credit ratings of the counterparties. Expected credit losses is therefore assessed as immaterial.

#### 18. Financial instruments and risk management (continued)

#### Financial risk management

#### Overview

The company's activities expose it to a variety of financial risks: market risk (including cash flow interest rate risk), credit risk and liquidity risk. The company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the company's financial performance.

Risk management is carried out under policies approved by the board of directors. The management of PSG Konsult Treasury Limited identifies, evaluates and mitigates financial risks. The board of directors provides principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative and non-derivative financial instruments and investment of excess liquidity.

Financial instruments are grouped into the above classes in order to facilitate effective financial risk management and disclosure in terms of IFRS 7 Financial Instruments: Disclosures and IFRS 13 Fair Value Measurement.

#### Credit risk

Credit risk arises from cash and cash equivalent and loans to group companies. Cash balances are limited to high-credit-quality financial institutions. In the case of loans to group companies, management would take or insist on collateral or other form of securitisation as they deem fit.

The maximum exposure to credit risk is presented in the table below:

|                           |   |                             | 2022                  |                             |                             | 2021                  |                             |  |  |
|---------------------------|---|-----------------------------|-----------------------|-----------------------------|-----------------------------|-----------------------|-----------------------------|--|--|
|                           |   | Gross<br>carrying<br>amount | Credit loss allowance | Amortised cost / fair value | Gross<br>carrying<br>amount | Credit loss allowance | Amortised cost / fair value |  |  |
| Loans to group companies  | 4 | 55 000 000                  | -                     | 55 000 000                  | 55 000 000                  | -                     | 55 000 000                  |  |  |
| Cash and cash equivalents | 5 | 43 052                      | -                     | 43 052                      | 267 921                     | -                     | 267 921                     |  |  |
|                           |   | 55 043 052                  | -                     | 55 043 052                  | 55 267 921                  | -                     | 55 267 921                  |  |  |

The company determined the credit loss allowance as prescribed by IFRS 9. The above financial assets are all categorised as Stage 1, due to there being no indication of a significant increase in credit risk.

#### Loans to group companies

The following factors would indicate that there is a significant increase in the credit risk of the borrower:

- A material decrease in the highly liquid assets or facilities of the borrower, or a material increase in the debt of the borrower;
- · A breach of regulatory solvency or liquidity requirements by the borrower; or
- Any other adverse event that materially impacts the financial viability of the borrower.

The loan would be considered credit impaired where any of these factors result in the borrower being unable to repay the loan on demand and where the company expects to not recover the full balance as a consequence.

Annual Financial Statements for the year ended 28 February 2022

# **Notes to the Annual Financial Statements**

#### 18. Financial instruments and risk management (continued)

Financial assets are assessed based on their credit ratings as published by Moody's. Financial assets which fall outside this range are classified as not rated. Credit limits, for each counterparty, are set based on default probabilities that are in turn based on the ratings of the counterparty concerned.

The credit quality of financial assets can be assessed by reference to external credit ratings (if available) or to historical information about counterparty default rates:

| 28 February 2022<br>P1*<br>Other non-rated assets | Loans to<br>group<br>companies<br>R<br>-<br>55 000 000 | Cash and<br>cash<br>equivalents<br>R<br>43 052  | <b>Total R</b> 43 052 55 000 000  |

<sup>\*</sup> Moody's short-term rating (P1 - Issuers have a superior ability to repay short-term debt obligations)

### Concentration

Concentration of credit risk within cash and cash equivalents exists due to the balance being held with ABSA Bank Limited. Concentration of credit risk within loans to group companies (note 4) exist due to the counterparty being part of the PSG Konsult group of companies.

Annual Financial Statements for the year ended 28 February 2022

# **Notes to the Annual Financial Statements**

#### 18. Financial instruments and risk management (continued)

#### Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities. Due to the dynamic nature of the underlying business, it aims to maintain flexibility in funding by keeping committed credit lines available.

The table below analyses the company's financial liabilities into relevant maturity groupings based on the remaining period at the reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

The maturity profile of contractual cash flows of non-derivative financial liabilities, and financial assets held to mitigate the risk, are presented in the following table. The cash flows are undiscounted contractual amounts.

#### 2022

|   |         | Less than<br>1 year  | Total                | Carrying<br>amount   |

An undrawn short-term overdraft facility of R50 million is available to the company.

(Registration number 2014/196582/06) Annual Financial Statements for the year ended 28 February 2022

### **Notes to the Annual Financial Statements**

#### 18. Financial instruments and risk management (continued)

#### Cash flow interest rate risk

The company's interest rate risk arises from interest-bearing loans to group companies and cash balances.

#### Interest rate profile

The interest rate profile of interest bearing financial instruments at the end of the reporting period was as follows:

|  | Note | Carrying     | amount       |
|--|------|--------------|--------------|
|  |      | 2022         | 2021         |
| Variable rate instruments: Assets  |      |              |              |
| Loans to group companies   | 4    | 55 000 000   | 55 000 000   |
| Cash and cash equivalents  | 5    | 43 052       | 267 921      |
|  |      | 55 043 052   | 55 267 921   |
| Interest free instruments:<br>Liabilities  |      |              |              |
| Loans from group companies   | 8    | (44 105 610) | (46 577 610) |
| Trade and other payables   | 10   | (64 388)     | (54 491)     |
|  |      | (44 169 998) | (46 632 101) |
| Variable rate financial assets as a percentage of total interest bearing financial assets        |      | 100.00 %     | 100.00 %     |
| Fixed rate financial liabilities as a percentage of total interest bearing financial liabilities |      | 100.00 %     | 100.00 %     |

### Interest rate sensitivity analysis

Based on simulations performed, the impact on post-tax profit of a 1% shift in interest rates is analysed in the following table:

|                                 | 2022     | 2022      | 2021     | 2021      |
|---------------------------------|----------|-----------|----------|-----------|
| 1% Increase or decrease in rate | Increase | Decrease  | Increase | Decrease  |
| Impact on profit or loss:       | 396 310  | (396 310) | 397 929  | (397 929) |

### Capital risk management

The company's objectives when managing capital (which comprises shareholder's equity) are to safeguard the company's ability to continue as a going concern in order to provide adequate returns for shareholders.

Ensuring that the company operates at the optimal cost of capital is therefore a focus point for management and will be considered in decisions relating to dividend declarations, issue of debt or equity instruments or the buying and selling of assets and liabilities.

When funding is required, management will consider the various forms of paper available for issue, taking into account current market conditions, anticipated trends in market indicators and the financial position of the company at the time. The company currently has a R3.0 billion approved DMTN programme, which was unutilised at both 28 February 2022 and 28 February 2021.

The value of options redeemed/exercised is the number of share options exercised in the 2022 financial year multiplied by growth in share price (market value share price at exercise less option grant price).

The following share option awards were accepted in terms of the PSG Konsult Group Share Incentive Trust between the end of the financial year and the date of this report:

On 26 April 2022 Messrs FJ Gouws and MIF Smith respectively accepted 5 250 000 and 1 500 000 share option awards at a strike price of R12.71 per share. These are exercisable in tranches of 25% each on the 2nd, 3rd, 4th and 5th anniversary of the award date.

Total performance incentive bonus awarded was R32.0 million (2021: R24.0 million). 70% of bonus awarded, being R22.4 million (2021: R16.8 million), is unconditional and was paid in cash in April 2022 and April 2021 respectively. The remaining 30% has been paid to the director, however is conditional on the director remaining in employment and is subject to clawback provisions. The conditional portion of the bonus vests as follows: R4.8 million in April 2023 (2021:R3.6 million in April 2022), being 12 months after award date, while the remaining R4.8 million (2021: R3.6 million; 2020: R3.2 million is conditional for 24 months until April 2024 (2021: April 2023; 2020: April 2022).

<sup>3</sup> Total performance incentive bonus awarded was R12.0 million (2021: R8.5 million), which was paid in cash in April 2022 and April 2021 respectively, as the director has more than 10 years service in the group (no service conditions attached to release of 30% deferred portion of bonus award).

<sup>&</sup>lt;sup>4</sup> Director's fee of R0.3 million (2021: R0.5 million) was paid as non-executive director of PSG Konsult Limited subsidiary entities.

<sup>&</sup>lt;sup>2</sup> This column shows the number of outstanding options at year-end multiplied by the PSG Konsult year-end share price, less the strike price of the instruments
